TO OUR ALMA MATER, LOYALTY

By Isabel Williamson, '06.

(Mrs. S. J. Cumming)

Air: Watch on the Rhine.

Oh, Alma Mater here today,
We for thy lasting blessings pray,
We know not where our paths may go,
But thou'lt uphold us still we know.
Unchanging thou, 'mid changes vast,
Unswerved from ideals of the past,
Steadfast and true our watchword e'er shall be—
To thee, our Alma Mater, Loyalty!

Thy trees their solemn chorus blend,
About thee, flowers their censers bend.
Our voices swell their murmuring strain
Our hearts repeat the old refrain,
Thy purpose high to carry on—
Oh, Normal, thou hast honor won!
Steadfast and true our watchword e'er shall be—
To thee, our Alma Mater, Loyalty!

In after years, when far away,
Thy presence strong will near us stay;
And as the echo of our song
Will, with new courage, lead us on;
And to our eager vision then
Each subtle memory meaning lend.
Steadfast and true our watchword e'er shall be—
To thee, our Alma Mater, Loyalty!

PRESIDENT JNO. M. FOOTE'S LETTER TO NORMAL ALUMNI.

Baton Rouge, La., Oct. 20, 1916.

To the Members of the State Normal School Alumni
Association:

After conferring with the members of the Executive Committee, many of the most active members of the Alumni Association and the authorities at the Normal, in an effort to ascertain the most necessary and important work that should be undertaken at this time, it has been decided that the greatest needs are the development of sentiment favorable to the payment of the life membership dues and the increase of the loan fund to ten thousand dollars. To the end that both of these very important and worthy purposes may be accomplished, we solicit the active support and cooperation of all the alumni members. Specially do we invite the young graduates to join in the movement.

At the Lake Charles meeting of the Association, an amendment to the Constitution was adopted providing that life membership receipts would be issued to all members paying ten dollars. Payment is to be made at one time, or five dollars per year for two years, if desired. This very wise plan appeals to both the old and the young graduates in that it relieves the older graduates, on payment of the fee, of being constantly called on for annual dues and gives the young graduates ample opportunity to fulfill their obligations to the Association and the Normal School by the payment of a very reasonable sum soon after graduating. Accordingly all members of the Alumni are urged to "get in line" by paying the life membership fee, and thus not only be relieved of all further

calls for the payment of dues but comply with the obligations we owe the Normal School. All funds derived from the payment of life dues will be immediately placed in the loan fund, where it will be used for all time to assist in the education and training of young men and women for the profession of teaching.

While the loan fund now amounts to more than six thousand dollars, the rapid growth and development of the Normal School has brought further demands on the fund. As the school grows the applications for loans increase. The fund ought to be raised to ten thousand in order to meet the growing needs. We feel confident that the spirit of loyalty that has always been so strong with Alumni members will prompt many to respond to this call by paying the life membership dues as soon as possible.

It will no doubt be interesting to many members to know that the four thousand dollars necessary to raise can be secured in a comparatively short time if the membership will respond with any degree of promptness.

The receipts from interest, the fruit shop and the appointment bureau will total more than a thousand dollars, leaving less than three thousand to be secured from the payment of regular and life membership dues. Can this be raised in ONE YEAR? After meeting between three and four hundred members during the past few months and submitting the question to them, I am confident of an affirmative answer.

In order to raise the necessary funds and to encourage the payment of life membership dues and to look after the affairs of the Alumni Association locally, committees have been appointed to take charge in each parish. A list of the committees will be found elsewhere in this publication.

In conclusion it is urgently requested that all Alumni members cooperate with the President, other officers and local committees during the year to the end that the affairs of the Association may be systematically conducted and that the specific work now undertaken may be successfully concluded. Remember that we want all to do their duty by enrolling as LIFE MEMBERS.

Send all funds to the local committee in your Parish, or to the undersigned, or to the acting Secretary, Miss M. A. Zimmermann at Natchitoches.

Jno. M. Foote, President,
Baton Rouge, La.

1894 The Normal School was organized in 1885 and the following spring graduated its first class consisting of three members—Miss Mary Washington, now Mrs. J. R. Brown of Mansfield, La.; Miss Sallie May Phillips, now Mrs. James Hamilton of Dallas, Texas; and Miss Emma Oswalt of Monroe, La. As the sessions passed and the school grew in size and usefulness the number of graduates increased until by the close of the ninth year of its existence the alumni of the Normal School numbered 133. Some of these graduates held a meeting in Natchitoches on May 30, 1894, during commencement week looking toward the organization of an Alumni Association, and appointed a committee to draw up a constitution. Later in the summer during the meeting of the Chautauqua, a number of graduates assembled in Ruston, La., on July 21st for the purpose of completing and perfecting the plans begun in May. President Thomas D. Boyd of the Normal school acted as chairman, and Mr. R. L. Himes assisted in the meeting. A draft of the constitution written by the committee appointed at Natchitoches was read, amended, and adopted, and the Louisiana State Normal School Alumni Association came into existence. After a recess Mr. Himes called the meeting to order and the following officers were elected: President, Miss Bessie V. Russell; Vice-president, Miss Emma Oswalt; Secretary, Mr. J. E. Readhimer; Treasurer, Miss Mollie Kearney. One permanent Vice-president was elected from the class of each preceding year. Annual membership dues were fixed at fifty cents. The Association adjourned to meet in Natchitoches during commencement the following spring.

1895 At this meeting held May 28, 1895, thirty-seven members of the Association were present and the treasurer reported \$6.15 in the treasury. It was the custom for the alumni to assemble, receive the new class, render a literary program, and afterward hold a session for the transaction of business.

1896 No record exists for this year.

1897 At the third annual meeting on June 1st, 1897, an alumni scholarship in the State Normal School was established by levying a fee of \$1.00 on each member, the scholarship of any one student not to cover more than two years. A scholarship committee of five, with the president of the Normal School as ex-officio member,

was appointed for the purpose of awarding such scholarship.

1898 At the meeting held July 1st, 1898, the constitution was amended making all officers elective by acclamation.

1899 At the meeting held July 23, 1899, the president of the Association was made ex-officio a member of the Scholarship Committee. New vice-presidents, one from each class, were elected as follows:

1886—Mary Washington (Mrs. J. R. Brown).

1887—W. L. Ford.

1888—Rosa Hill (Mrs. Joseph Leveque).

1889—I. J. Vaughan.

1890—Annie E. Corbitt (Mrs. J. S. Dixon).

1891—Mary Eliza Payne (Mrs. J. H. Williams).

1892—Irma McCord (Mrs. Lewis G. Robinson).

1893—Edna Levy.

1894—Emma Johnson (Mrs. W. T. Cunningham).

1895—Henrietta Lewis.

1896—Henry E. Walker.

1897—Lily Postell (Mrs. T. J. Hebert).

1898—L. J. Alleman.

1899—Mattie Sue Pipes (Mrs. John M. Wilson).

1900 On May 30, 1900, at its regular business meeting, the Alumni Association elected Miss Violet Phillips vice-president from the class of 1900 and Mr. Robert Phillips to fill vacancy in vice-presidency for class of 1895 caused by the election of Miss Henrietta Lewis as president of the Association. The offices of secretary and treasurer were united and Mr. J. L. Westbrook was elected Secretary-Treasurer.

1900 It was decided to elect an orator and an essayist one year in advance of the annual literary meeting to serve on the programme the following year. Mr. Fred M. Odom was elected orator and Miss Augusta Nelken essayist for the meeting in 1901.

On motion the Alumni scholarship was named the Alby L. Smith Scholarship in honor and memory of Mr. Alby L. Smith, the beloved training teacher of the Normal School, who spent so many years of consecrated service inspiring his students and laboring for the success of the Normal School.

A committee was appointed to revise the constitution and submit it to the Association at the next meeting. The secretary was instructed to address a circular letter

to graduates urging a full attendance to act on constitution and to discuss plans for erecting an Alumni Hall on Normal grounds as suggested by W. S. Lafargue.

1901 At the meeting held May 28, 1901, Mr. George Wallace read the report of the committee on the constitution. The report was taken up section by section and adopted. This was the constitution under which the Alumni operated from its adoption until it was superseded by the Charter of 1913.

A resolution offered by Mr. T. F. Porter, Jr., was carried empowering the president and the secretary-treasurer to lend the surplus money in the treasury in sums not exceeding fifty dollars to students already in school who needed funds to complete the work of the session. The rate of interest was to be four per cent. computed in all cases for the full year. Miss May Lee was elected vice-president from the class of 1901, and Robert Phillips and Miss Laure Tauzin were elected orator and historian respectively for the next meeting.

The following communication was read and ordered spread on the minutes:

Natchitoches, La., May 28, 1901.

To the L. S. N. Alumni Association:

I regret that no earlier opportunity has occurred for me to express my sincere appreciation of your loving remembrance and tender consideration in the choice of the name for the Alumni Scholarship. No other memorial could have been so fitting a tribute as this growing, far-spreading help you are giving to others. Your influence is great and you have become an educational factor in the state.

The Alumni will always occupy a large place in my heart, and my interest will last as long as there are brave boys and girls banded together in this worthy undertaking; and in your noble work I wish you a full measure of success and wish you God speed.

Sincerely,

Zeffie M. Smith.

(Mrs. Alby L. Smith.)

1902 May 27, 1902, the Association met and elected Miss Sue Chamberlain vice president for class of 1902, Delos Johnson orator for 1903 meeting.

1903 The secretary-treasurer's report at the meeting held May 14, 1903, showed a cash balance on hand of \$199.40, and he was instructed to continue to make loans from the surplus. The association decided

that the scholarship student should be sent to school during the regular winter terms of the Normal school but not during the summer term recently inaugurated. A vote of thanks was extended to Mr. Leon Greneaux for writing the Alumni song used in the literary program of the meeting. Misses Fannie Nelken and Virginia Robertson and Mr. Edmond Prudhomme were appointed to select a design for an Alumni pin. Lois Chapin was elected vice-president from the class of 1903 and Mr. Charles L. Shell was elected orator for 1904.

1904 Beyond the election of Miss Zephyr Lafargue as vice-president for class of 1904, Mr. J. D. Rusca as orator for 1905, little business of importance was transacted at the Alumni meeting of May 19, 1904. The Association was honored, however, by having for its special guests both at its literary meeting and at the banquet which followed, three distinguished gentlemen, Mr. James B. Aswell, State Supt. of Education; Col. Thomas D. Boyd, President of Louisiana State University, and Dr. Edwin A. Alderman, President of Tulane University, who addressed the association.

1905 The Alumni Association assembled in the Alexandria High School building Apr. 8, 1905, at the time of the State Teachers' Association for a dinner and general reunion. At this meeting over two hundred enthusiastic Normal graduates were present, renewing old ties and forming new friendships. The president of the Association, Miss Augusta Nelken, acted as toastmaster and the following persons responded to toasts: Pres. B. C. Caldwell of the Normal School; Supt. L. J. Alleman, of Lafayette, La.; Miss Lillian Gibbs, of Monroe; Dr. Arnold Thompkins, of Chicago, Ill.; Supt. W. W. Stetson, of Augusta, Maine; and Supt. James B. Aswell, of Baton Rouge, La.

The meeting concluded with a short business session at which a resolution was passed to come up as an amendment to the constitution at the regular meeting in Natchitoches the following month, providing that the annual business meeting of the association be held at the time and place of the State Teachers' Association.

The regular meeting of the Alumni Association for 1905 was held May 16, and consideration of the amendment to change the time and place of business meeting of the Association was abandoned on the point of order that the amendment could not be acted upon as the constitutional requirement as to notice had not been com-

plied with. Notice was given that the amendment would be considered at the next regular meeting of the association in 1906.

Mr. C. V. Porter, Jr., submitted a resolution for the appointment of a committee to investigate the advisability of the publication of a monthly paper for the Alumni.

A resolution offered by Miss Roberta Newell for the appropriation of not more than thirty dollars for the purchase of a book-case and books for the establishment of a special pedagogical library in the Normal school library was adopted. The resolution also provided that Miss Gussie Nelken should consult with President B. C. Caldwell in regard to the purchase of suitable book-case and books. Miss Olive Mather was elected vice-president from class of 1904.

1906 The following literary program of the Alumni Association held June 11, 1906, was given entirely by the class of 1896 whose members were present for a reunion on the tenth anniversary of their graduation:

Address of Welcome.....	C. M. Cunningham
Vocal Solo.....	Mrs. Sarah Saunders Bell
Address.....	R. C. Culpepper
Vocal Duet.....	Mrs. Sarah Saunders Bell
	Mrs. Etta Northrop Littell
Class History.....	Mrs. Alice Martin Wallace
Chorus.....	Class of 1896

Upon motion of Mr. J. D. Rusca a committee of three, Miss Roberta Newell, Miss Bessie Russell and Mr. J. D. Rusca, were appointed to further investigate the matter of publishing an alumni paper, with power to act.

The limit of fifty dollars lent to any student was removed. A. C. Bernard was elected vice-president. Mr. J. L. Westbrook, the secretary-treasurer, in a lengthy report reviewed the entire work of the association and made the following recommendations:

1. That the restriction limiting the amount to be lent to one student from the loan fund be removed and that discretionary powers be given the officers as to the length of time for loans.

2. That the annual business meeting be held at the same place as the State Teachers' Association.

3. That steps be taken looking to a general celebration at the Normal school in 1910 of the twenty-fifth anniversary of the founding of the Louisiana State Normal school.

4. That the Alumni Association be chartered as a legal corporation.

1907 The Alumni Association met at the Louisiana State Normal School on May 14, 1907. After the presentation by President Caldwell of the May class the following literary program was rendered:

President's Address.....	Mrs. Alice Wallace Martin, '96
Piano Solo.....	Miss Ella Montgomery, '00
Annual Address.....	Dr. C. J. C. Bennett, of L. S. U.
Trio.....	Mrs. Emma Johnson Cunningham, '94
	Miss Henrietta Lewis, '95
	Miss Ella Montgomery, '00
Reading.....	Miss Eva Caldwell, '06
Song.....	Normal Glee Club

The committee appointed to arrange for the publication of an Alumni paper reported that it had been found impossible to get the proposed paper published. The report was received and further action deferred.

A charter for the organization of the Association as a corporation was read by J. L. Westbrook. On motion of T. F. Porter, Jr., the president appointed a committee of five to have the legal points of the charter examined and to report at the next meeting. T. F. Porter, Jr., J. H. Hicks, G. W. Jack, Miss Bessie Russell, and Mrs. Emma J. Cunningham were appointed on this committee.

J. D. Rusca, Fannie Nelken and Fadra Holmes were appointed as a committee to lay before the Board of Administrators the question of having a celebration at the Normal school in 1910 to commemorate the twenty-fifth anniversary of its existence.

1908 At the regular business meeting held May 12, 1908, the Association was ordered to meet in Alexandria at the time of the convention of the Louisiana State Public School Teachers' Association in the spring of 1909. The following was the literary program:

Music.....	Miss Ella F. Montgomery, '00
Address of President.....	A. C. Bernard, '06
Chorus.....	Normal Glee Club
Annual Address.....	Delos R. Johnson, '02
Vocal Solo.....	Mrs. Josie L. Berwick, '01
Chorus.....	Class of May, 1908

1909 April 2, 1909, a special meeting of the Alumni Association was called to order in the Bently Hotel, Alexandria, La. Mr. Aswell came before the graduates for the first time in the capacity of president of the Normal school and addressed them upon the importance and responsibility of their work and organization. A resolution was unanimously adopted providing

that the literary program be held as usual during Commencement exercises at Natchitoches, and that the business meeting be held at the time and place of the annual meeting of the State Teachers' Association.

The resignation of J. L. Westbrook who had served the Association as secretary-treasurer for ten years and to whose industry and enthusiasm much of the success of the work of the Association was due was received with regret, and resolutions together with a standing vote of thanks were passed expressing the appreciation of his earnest work in behalf of the Association. Miss Roberta Newell was elected to fill the office left vacant by Mr. Westbrook's resignation.

1910 President L. J. Alleman called the regular annual business meeting of the Alumni Association to order in Baton Rouge, La., on April 15, 1910. The president addressed the members on three purposes of the Association—to foster the spirit of good fellowship and concerted action which characterizes the men and women of the Association, to further the interests of the State Normal, and to work for the welfare of the schools of the State. Upon motion of Mr. W. J. Avery, a banner was to be awarded by the Association to the class making payment of the highest percentage of annual dues and fees.

Considerable interest was taken in the question of raising \$5000.00 for a loan fund, and President Aswell was called on to explain the movement which had been inaugurated by the class of September 1909, as set forth in the following resolution adopted by them:

Whereas, it has been suggested by President J. B. Aswell that the Loan Fund of the Alumni of the Louisiana State Normal School be increased to \$5000.00,

Be it resolved, That we, the Summer class of 1909, in class meeting assembled, do pledge ourselves to support the suggestion, and recommend that suitable measures be adopted at the next business meeting of said Alumni to bring about this increase of funds.

Be it resolved further; That we, the members of the Summer class of 1909, do pledge ourselves to give \$5.00 each for the twenty-fifth anniversary Alumni Loan Fund to be paid in April, 1910, at the Alumni meeting.

1911 The regular business meeting of the Alumni Association was called in Lake Charles, Apr. 9, 1911, by President J. W. Bateman. Most of the discussion centered around the raising of the \$5000.00 Loan Fund

and much interest was manifested in this phase of Alumni work. Miss Newell reported that the Alumni banner had been won by the January class of 1911, 87½ per cent of the class having paid their dues before leaving the Normal. Miss Nita Guardia was elected vice-president from the class of 1911.

1912 The regular annual business meeting of the L. S. N. S. Alumni Association was held in Alexandria, La., April 12, 1912.

The liberty of the floor was granted G. O. Houston of the Normal student body, business manager of the Potpourri, the Normal annual. He reviewed the merits of the current edition, showed how it especially appealed to old graduates, and asked for the financial support of the Association in the way of subscriptions.

Mr. J. W. Bateman reported for the Committee on Constitution and presented a charter which was read by the president, and unanimously adopted by the Association. L. J. Alleman, J. M. Foote and L. A. Walet and the president of the Association were elected a committee on by-laws.

By request of W. S. Lafargue, State High School Inspector Leo M. Favrot explained the proposed resolution of the State Board of Education which required that Normal graduates should make four college credits before being allowed to teach in the approved high schools of the state. A spirited discussion followed, resulting finally in the passing of a motion introduced by W. S. Lafargue which was voted upon favorably by every member present with the exception of F. M. Hamilton, who asked to have his vote recorded.

The motion was as follows:

That a committee of five be elected and instructed to confer with High School Inspector Leo M. Favrot relative to adjusting favorably to the Normal graduates the subject of placing such value upon the Normal diploma as will enable the holder to teach in the approved high schools of the state as heretofore. In case the conferences are not satisfactory, the committee is instructed to protest to the High School Inspector; in the event of this protest being unheeded, the committee is instructed to protest to the State Board of Education; and in the event of this protest being unheeded the committee is instructed to carry its protest to the legislature of Louisiana.

The following committee was elected to carry out the

foregoing motion: Y. L. Fontenot, J. M. Barham, A. C. Bernard, W. S. Lafargue, Miss Roberta Newell.

President C. J. Brown spoke to the Association of the twenty-five dollar club and announced that half the amount of the \$5000.00 Loan Fund had been collected; various members of the Association reported for the progress of the work of collection for the Loan Fund in their parishes.

Dr. J. B. Aswell and President V. L. Roy addressed the Association, and Mr. Little of the Peabody Alumni was invited to say a few words about Alumni work.

On motion of Miss Fadra Holmes the following resolutions were adopted:

Whereas, all the old buildings on Normal Hill are being removed to give place to the splendid new structures that are now being erected, and

Whereas the Matron's Building is the oldest building on Normal Hill and is dear to the hearts of the 1467 graduates, commemorating as it does the life of the Normal during its first quarter of a century's growth, therefore

Be it resolved: That it is the sentiment of this body that the building be preserved as a memorial of that period.

Be it further resolved: That a copy of these resolutions be given the President of that institution with the request that it be placed before the Board of Administrators of the Normal School.

1913 The Alumni Association met in New Orleans, La.,

Apr. 18, 1913, at the Grunewald Hotel. Y. L. Fontenot, chairman of the committee elected at Alexandria to adjust the differences existing between the High School Inspector, Leo M. Favrot, and the Normal graduates reported that those differences had been adjusted as well as possible under the circumstances.

President Lafargue then called upon the secretary-treasurer, Miss Roberta Newell, to make a report regarding the charter of the Association adopted at Alexandria in 1912. Miss Newell stated that after the Alexandria meeting it was found by the officers of the Association that the charter adopted was illegal, inasmuch as it did not provide for a Board of Directors and fixed domicile. She also stated that the officers had taken the responsibility of having another charter drafted and passed upon by competent legal authorities, and that Attorney Gustaf Westfeldt of New Orleans was present to carry out in a

legal way the wishes of the Alumni Association in reference to its adoption.

Upon motion of Mr. L. J. Alleman of Lafayette the charter was taken up for consideration. Mr. Westfeldt read the proposed charter and explained it article by article; it was adopted as read.

In accordance with the provisions of the charter the following Board of Directors was elected by acclamation: Mrs. Alice Martin Wallace to serve one year; Mrs. Georgia McMurdo Jones to serve two years; Mr. Y. L. Fontenot to serve three years; Mr. W. J. Avery to serve four years.

Mr. L. J. Alleman reported for the committee on by-laws appointed at Alexandria in 1912. Before the adoption of the report, however, Mr. Alleman asked the careful consideration of the Association to the facts that the by-laws provided for the abolition of the scholarship by means of which the Association was then educating the ninth young woman; that the scholarship had been the earliest binding interest in the Association, and that a provision had been made for the merging of the Alby L. Smith Loan Fund and the special \$5000.00 Loan fund under the style and title of the Alby L. Smith Loan Fund. Mr. Alleman spoke eloquently of the influence the scholarship had had in uniting the members of the Association in the past, and called attention to the fact that the newer and later plan would perpetuate the memory and confer a larger honor upon the name so dear to all the members.

1914 The Alumni Association met in Shreveport April 14, 1914. The president, Mr. J. M. Barham, announced the resignation of Miss Roberta Newell as secretary-treasurer in August, 1913, and of the appointment of Miss Dean Varnado to fill the unexpired term.

Mr. Alleman gave notice of a proposed amendment to the Charter making life dues ten dollars instead of twenty-five if paid within a period of two years. Miss Bessie Russell moved that the Association take some steps to assist the secretary-treasurer in the work of the office. President Barham appointed a committee composed of W. J. Avery, G. O. Houston, and Y. L. Fontenot to confer with President Roy in regard to the matter of adequate help being given the secretary-treasurer.

Mr. Barham also urged the continuance of the old-time loyalty and enthusiasm of the graduates toward the Normal school and the work of the Association, and

outlined the possibilities for good through earnest co-operation. Acting upon the suggestion that the work of the Association could be made more effective if the president served longer than one year, the president, J. M. Barham, was re-elected for the year 1914-15, and Mrs. Alice M. Wallace was elected Director for four years to succeed herself.

The secretary-treasurer reported the graduation in March, 1914 of Miss Ruth Caldwell, the beneficiary student, selected at the Alexandria meeting in 1912. Her graduation marked the expiration of the Alby L. Smith Scholarship established in 1897 by means of which nine young women had been educated at the Normal School. Henceforth all funds accruing to the credit of the Association in any form, fees, dues, gifts, or interest were to be included in the Alby L. Smith Loan Fund, by means of which the memorial of the teacher in whose honor the scholarship had been established, was to be perpetuated.

1915 The Association met in Baton Rouge, La., April, 1915. President Barham in his annual address spoke of the good done by the money of the Association and made the following recommendations:

1. That in order to increase his usefulness the president should be elected for a period of more than one year.
2. That for greater convenience in managing the business of the Association, the depository of the Alumni funds should be a bank in Natchitoches, La.
3. That students borrowing money should be required to return it without unnecessary delay, and that each note should have at least one good endorsement.
4. That the amendment to the charter proposed the year before making life dues ten instead of twenty-five dollars should receive favorable action.

Miss Varnado, the secretary-treasurer, reported that the Loan Fund had reached five thousand dollars through a princely gift to the Association in the form of one thousand dollars donated at the instance of President Roy by the Board of Administrators of the Normal School at their annual meeting in Natchitoches, May, 1914. The one thousand dollars represented the profits of the Normal book store through a series of years and was given by the Board to become a part of the Alby L. Smith Loan Fund. A rising vote of thanks was given the Board by the Association and the secretary-treasurer was in-

structed to write a letter expressing the gratitude and appreciation of the alumni at the gift.

The amendment fixing the life dues at ten dollars was passed, and amendments extending the term of president to two years, and to pay the secretary-treasurer a salary, were proposed for action in 1916.

The annual election resulted as follows:

President, J. M. Barham; Vice-president, Mrs. G. M. Jones; Secretary-treasurer, Dean E. Varnado; Director 1915-19, Mabel Moore.

1916 The Association met in Lake Charles, April 14th, 1916, at the Arcade Theatre, President J. M. Barham, presiding.

The following motion was offered: That President Barham, Superintendent F. M. Hamilton and Miss D. E. Varnado be appointed to consult with President V. L. Roy of the Louisiana State Normal School with a view of combining the office of secretary-treasurer of this association with the head of the extension department of the institution. In the discussion that followed it was explained that the duty of recommending teachers to parish superintendents and school boards would devolve upon the person acting as secretary-treasurer, and that it was the purpose of those recommending this plan to divide the cost of maintaining the combined office. It was further explained that that part of the expense to be incurred under this plan, which would fall to the alumni association, should be defrayed by a system of fees to be charged to all alumni seeking the services of the appointment bureau. After full discussion this motion was adopted.

Mr. Y. L. Fontenot was elected to succeed himself as director of the association.

On motion, "Current Sauce" was elected the official organ of the Association.

A motion made to increase the length of term of the president from one year to two years was defeated.

Under the head of election of officers Mr. John M. Foote was elected president for the ensuing year.....
.....was elected vice-president; and Miss D. E. Varnado was continued secretary-treasurer until the new plan outlined above is put into effect.

THE ALBY L. SMITH SCHOLARSHIP.

1897-1914.

The scholarship established by the Alumni Association on June 1, 1897, was named the Alby L. Smith Scholarship in memory of Mr. Alby L. Smith, the beloved training teacher of the Normal school under whose direction so many Normalites served their apprenticeship and to whose training is due much of the loftiness of purpose and devotion to ideal that first won permanent recognition for the Normal graduate as a trained worker, and made him a power in the public schools of Louisiana. The scholarship paid the entire expenses of a student at the Normal school, and during the seventeen years of its existence from 1897 to 1914, one student, chosen by a carefully selected committee elected by the Association, was kept constantly at school. The nine young women educated under the scholarship reflected credit upon the good judgment of the committee selecting them, and fully justified the wisdom of the Association in building its memorial in the brains and characters of high-minded young teachers. Only the wider good accomplished later by the Alby L. Smith Loan Fund into which the scholarship was finally merged, exceeded that brought about by this first organized work of the Alumni Association—the Alby L. Smith Scholarship.

THE NEW APPOINTMENT BUREAU.

About four years ago the employment bureau of the Louisiana State Normal School was established and blanks were printed for the registration of all graduates of the Normal School who desired to obtain positions through the bureau. No charge was made for the registration of candidates; and the members of the faculty constituting the bureau were not paid for the services rendered in connection with it.

It was explained, however, to each candidate when he registered, that he would be expected to contribute \$1.00 to the alumni loan fund, the nature and purpose of which is known to all members of the alumni association. The plan worked very nicely; and in this way several hundred dollars were voluntarily contributed to the alumni loan fund. In cases where the candidate refused to contribute the amount expected from him, the matter was not urged.

The growth and development of the bureau were such, however, that about a year ago it was felt that it should be established as a separate department of the Normal School. Accordingly a plan was worked out by which this work should be done jointly with the extension work of the Normal School by the director of the new department.

At the meeting of the alumni association of the Normal School held at Lake Charles during the sessions of the State Teachers' Association last April, the plan outlined above was adopted. The one holding this position was also to be secretary of the Normal School Alumni Association.

The plan under which the association was proceeding provided the salary of the one holding the position under discussion. The Board of Administrators of the Normal School was asked to contribute half of the salary, and the alumni association was to raise the other half in the following manner:

Each person registering with the appointment bureau was to pay a fee of \$1.00; and if placed through the efforts of the bureau, he was to contribute 5 per cent of his first month's salary.

When the Normal board met in May, 1916, a committee of the alumni association, appointed for the purpose and consisting of Miss Varnado, Supt. Barham and Supt. Hamilton, appeared before it and outlined the plan and recommended its adoption. The Board approved the plan, but conditioned its adoption upon an increase in the revenues of the Normal School. Since the Legislature has found it impossible to increase the appropriation to the Normal School, that part of the plan which provides for an extension director has had to be held in abeyance; but it was decided by the committee of the alumni association, after conferring with President Roy, to adopt the provision for charging fees as above explained.

It is hoped that the appropriations for the Normal School during the forthcoming year will be increased to such an extent that it may be possible to appoint a director of extension and to place the work on a more substantial basis by the opening of the 1917-1918 session.

FACULTY AND CLASS REPRESENTATIVES.

In the year 1909, the two class honors, now existing in the school, were established. The first honor is the one awarded to the faculty representative; the second goes to the class representative.

The faculty representative is first selected from the graduating class, after which the class representative is selected by the class. In selecting its representative, the faculty considers such points as the following, to-wit: the record made in the institution; the character of the candidates; the promise of success in life; and ability to make a creditable appearance before the audience at graduation.

The class representative is selected upon practically the same basis. During the years 1909, 1910, and 1911 only one faculty and one class representative were selected annually; but with the beginning of the quarterly graduations in 1912 the plan was established to select these representatives out of each quarterly class. The following have been faculty and class representatives since the establishment of these honors, to-wit:

The Directors shall serve without compensation and they shall pay their own traveling expenses.

Any Director absent from two consecutive meetings without valid excuse shall, in the discretion of the remaining members of the Board of Directors, forfeit his place on the Board.

Section 2.—Standing Committees. The regular standing committees shall consist of an Auditing Committee, consisting of four members appointed by the Board of Directors from among the members of the Corporation who are not members of the Board.

It shall be the duty of the Auditing Committee to examine and audit the books and papers of the Corporation in a thorough, business-like manner just before the annual meeting to be held concurrently with the State Teachers' Association and to make an annual report to the Corporation.

Section 3.—Committee on Loans. The Committee on Loans shall consist of the President of the State Normal School, the President of the Alumni Association, and the Secretary-Treasurer. The President shall have the privilege of delegating his vote if unable to be present.

Section 4.—The President. The President shall preside at all meetings of the Alumni corporation and also at all meetings of the Board of Directors.

He shall sign all checks with the Secretary-Treasurer provided accounts have been approved by the Finance Committee to be appointed by the Board of Directors.

He shall sign all contracts to which the corporation is a party, provided all contracts shall have previously been approved by a quorum of directors.

In case of a tie vote, the president shall cast the deciding ballot.

He shall have custody of all bonds furnished by the officers for the faithful discharge of their duties.

Section 5.—Vice-President. It shall be the duty of the Vice President to assist the President, and in his absence to act in his stead.

Section 6.—Secretary-Treasurer. The Secretary shall keep correct minutes of all meetings of the Association and of the Board of Directors in a bound volume kept for this purpose.

He shall, in proper books kept for this purpose, keep accounts between the Association and individuals borrowing money.

He shall receive dues, fees, and other funds for the Association and forthwith deposit same with the official depository, taking receipts for the amounts so deposited.

He shall keep correct accounts of amounts received and paid out in a book for this purpose, which book shall be at all times subject to inspection by the Board of Directors and by the Auditing Committee.

He may, with the concurrence of the Board of Directors, employ an assistant from among the employees of the State Normal School; and he shall be responsible for the conduct of this assistant.

He shall give bond for the faithful performance of his duties and the association shall pay the premium on this bond to be fixed at \$1000.00.

All money due by the Association shall be paid by sight draft on the depository, signed by the Secretary and countersigned by the President.

Section 7.—The Alby Smith Alumni Loan Fund. The loan fund shall be known as the Alby Smith Loan Fund in memory of the beloved training teacher of that name.

The President of the Association shall annually appoint from among the most influential members of the Alumni Association in each parish, committees of three to wait upon Police Juries and Town Councils to encourage donations to the loan fund, to be loaned from students from the parish so making the appropriation, provided these loans be made to these students upon the same terms and conditions as made to other students, excepting that, in loaning the fund to parish students, no classification shall be required, but the applicant shall be selected by the Committee by competitive examination; or by any manner decided upon by the civic body making the donation to the fund.

Section 8.—Conditions upon which loan shall be made.

1. Eligibility of applicant. Applicant for loan shall be within three terms of graduation; provided that, should ample funds be on hand, the loan committee may at such times lend money to students within four terms of graduation.

2. The applicant must have an acceptable record and be a person of good character; all things being equal, preference shall be given to the student most needing help.

3. At the time of applying for a loan, the applicant shall not be indebted to an amount exceeding One Hundred Dollars.

4. The maximum amount lent to any student per term is hereby fixed at fifty dollars.

5. The rate of interest is six per centum per year; and the principal and interest shall be paid within two years after graduation, provided that for sufficient reasons the Loan Committee may extend the note of a borrower at eight per cent per annum, in which case the interest shall be paid in advance. No note shall be renewable for a longer period than six months.

The Loan Committee shall prepare suitable blanks embodying the requirements here given and any additional information necessary. These applications shall be made in duplicate, one to be given the applicant and the other to be kept by the committee. These blank forms shall be filed for inspection by the Directors and the Auditing Committee.

Section 10. A depository shall be selected biennially by the Board of Directors and shall be given to the highest responsible bidder within the State of Louisiana. The first election under this section shall take place at the first meeting in 1914.
